Forecast For Wales
Issued by Met Office Exeter
at 1600 on Sunday 15 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry tonight. Some showery outbreaks in northern areas overnight.

This Evening and Tonight:
Rain continues to clear eastwards this evening, leading to a mostly dry night across the country. Clear spells and patchy cloud throughout, though a few showery outbreaks remain possible in northern areas. Minimum temperature 11 deg C (52 deg F).

Monday:
A generally settled day, with sunny spells through patchy cloud. Remaining largely dry across the country, with just a few outbreaks of light rain possible in the north. Maximum temperature 18 deg C (64 deg F).

Outlook for Tuesday to Thursday:
Remaining quite cloudy throughout the period, with only occasional bright or sunny spells. Largely dry, although with some patchy light rain at times.
